

IMTA 2018: Invitation and Call for Papers

Dear IMTA Colleagues,

It gives me great pleasure to invite you to attend the 60th International Military Testing Association Conference, which will take place in Kingston, Ontario Canada from the 15th to 19th October, 2018.

We expect that the theme for the 2018 IMTA conference, “*Leading during Times of Uncertainty*” will provide a foundation for many exciting and stimulating papers.

This year's conference will include the usual track presentations on occupational analysis, recruitment/retention, selection/classification, cognitive and non-cognitive assessment, strategic personnel management, organizational behaviour, leadership, and military operations. We invite you to submit a symposium consisting of up to five papers, or individual papers, which will be assigned to a symposium based on a common theme.

The call for submissions opens on 1st May 2018, and the closing deadline is 1st Aug 2018.

We look forward to hearing from you soon!

Yours sincerely,

Drs Allister MacIntyre and Daniel Legace-Roy
